RECOVER. RECLAIM. REBUILD.

*Rental assistance is available for those who are unemployed.

OVERVIEW

CATS' Community Housing offers up to 54 Beds in a monitored sober environment. It is meant for newly sober individuals taking the first steps toward independent living in a safe, sober environment. Treatment for Substance Use Disorders, peer support and employment services (including job training and placement) are also available for residents. Cafeteria-style meals are also available to residents at no extra cost.
